Subject: Discover the Benefits of Going Dairy-Free with Califia Farms

Dear (receivers name)

I assume you as most others eat some form of dairy products. Cereal in the morning, milk in the coffee or all the other endless and delicious ways to enjoy dairy products. Well if you are like most others, I would hate for you to miss this information. It might save your life!

You see, research has discovered concerning connections between the consumption of dairy products and heart disease and breasts cancer. And did you know that the majority of the population on planet earth is actually lactose intolerant? However, YOU don't need to worry about quitting coffee, cereal or any other dish with dairy products. I have the perfect solution!

Allow me to introduce Califia Farms, a company revolutionizing the dairy industry. Their various range of delicious products makes it easy and enjoyable to enjoy your favorite meal, without feeling guilty.

And one more thing...

They are trying to reach ZERO emission, as a company. Their cartons, labels, packaging, transportation, and everything else in their activity as a company is as environmentally friendly as any and is still being worked on.

I hope this information is of value, check their products out here
